Jenny,

Attached is an excel file and map. I believe it is the same information that you received from Juneau County.

Please let me know if you have any questions.

Regards,

Kevin

Thank you for clarifying. Please still have Kevin send them because I am not entirely sure when the results we have were collected. Thus, I will compare them to see if they are different.

Yes, they were, over the last few weeks.

Hi George,

I just want to clarify something. Were these samples collected by Juneau and/or Wood County? If yes, we may already have some of the data, but if you send a map, I can compare it and see if it is what we have.

Thank you,  
Jenny

Hi Jennifer –

Please contact my colleague Kevin Masarik about Armenia results. Kevin is able to share a map with you and data down to the section level. We discussed possible releases from Juneau County or individual homeowners to get you down to the street address, but this poses certain difficulties right now.

Regards,

George
